25X1 4. [] GLC) Met with Senator Clifford P. Hansen to acquaint him with the Agency and to establish a point of contact with him. We had a pleasant chat and the Senator mentioned the several occasions on which he has had contact with []

25X1 [] He said he knew very little about the Federal Government scene but was interested in learning. I told him we would be happy to have him pay us a visit and mentioned the possibility of breakfast at the Agency on 23 February. It was agreed that I would be in touch with his appointment secretary on this. The Senator mentioned in passing that he tries to be in regular attendance at the Wednesday morning Prayer Breakfast and would not be available on that weekday. During our conversation, he said Senator Charles Percy had mentioned to him his visit to the Agency which he, by all indications, found to be extremely profitable. The Senator said while he was not familiar with our activities in detail, he supported the work we were doing and would be happy to be a "sounding board" in our behalf if ever he could be of service.

25X1 5. [] JGO) Met with Mr. Frank Sanders, House Appropriations Subcommittee on Military Construction, who advised that the Chairman, Robert L. F. Sikes (D., Fla.), is particularly interested in France and countries of the Middle East. I will touch base again with Mr. Sanders the first of the week for further identification, if possible, of the specific interests of Representative Sikes.

25X1 6. [] JGO) Met with Mr. Homer McMurray, Office of the Speaker, concerning procedures for secure handling of the transcripts of the briefing of the Defense and Military Construction Subcommittees of House Appropriations on 15, 16, and 17 February. Mr. McMurray advised that he would check with Mrs. Eccles, the Chief Reporter, on Monday but that he saw no problem in the continuation of the procedure used in previous briefings by the Agency. He will plan to schedule all activities in a single room, if at all possible. I will meet with him again on Tuesday morning for the names of the reporters and stenographers scheduled for this hearing.

25X1 7. [] JGO) Met with Mr. Joseph Dolan, Administrative Assistant to Senator Robert Kennedy, and briefed him concerning the Persons book, "The Day the Eagle Died". Joe indicated his appreciation and advised this is one of some 13 to 15 books on the press at the present time.
